

*Connect with the forest,  
and a quiet family life*

## *Live safe and secure*

Our flat plot project is located in Puerto Montt, a city and port in southern Chile, capital of the province of Llanquihue and the Los Lagos Region. Come live in the middle of forests, animals and landscapes that will change your life. Put aside stress and pollution, here begins the Carretera Austral heading to the Andes Mountains, it is also the gateway to the Chiloé archipelago and Chilean Patagonia.

## *Near everything*

By owning Hacienda Las Vertientes, you will have all the advantages of living in nature but you will be close to products and services that will make your life in this wonderful area more comfortable. Our project is located just 40 minutes away from the center of Puerto Montt, you will find banks, schools, supermarkets and shops, in addition to the attractions of the coast and the Lakes region.
